SECOND ANNOUNCEMENT

On behalf of the Organising Committee, we are pleased to invite you to participate in the **15th International Symposium “Modern Trends in Livestock Production”**, which will take place **in Belgrade from 29 to 31 October 2025**.

We invite you to participate with an oral or poster presentation. You also have the opportunity to present your institution or company at the symposium.

At the symposium, experts from Serbia and abroad will present their research results in order to enable a better transfer of scientific achievements in all areas of animal husbandry and science and make them accessible to scientists, researchers and practitioners in animal production, as well as students, the private sector and the general public.

The main aim of the symposium is to achieve better cooperation between researchers in the field of animal sciences from different institutions and experts from industry, trade and other related fields, as well as producers from Serbia, the Western Balkans, the EU and other parts of the world in the field of science, education and good practice in animal husbandry.

MAIN TOPICS OF THE SYMPOSIUM

- Genetics and Selection of Farm Animals
- Breeding and Reproduction of Farm Animals
- Physiology and Nutrition of Farm Animals
- Organic Livestock Production
- Livestock Feed and Ecology
- Animal Welfare and Health Care
- Technology and Quality of Animal Products
- Protection of the Environment and Biodiversity in Animal Production
- Alternative Production Methods in Livestock Production
- Precision Livestock Farming

OFFICIAL LANGUAGE

The official language of the Symposium is English.

MANUSCRIPT SUBMISSION

Authors should prepare full papers according to the “Instruction for Authors” of journal “Biotechnology in Animal Husbandry” (<https://istocar.bg.ac.rs/en/instructions-for-authors-3/>), otherwise, the paper will not be considered. All accepted papers will be published in the **Proceedings**.

Authors are invited to participate in the Symposium also by submitting only Abstracts, which will be published in the **Book of Abstracts**.

Please send abstracts and full papers in English to the following e-mail address:

biotechnology.izs@gmail.com

REGISTRATION FEE

The registration Fee which includes: publishing of paper in **the Proceedings**, or publishing of abstract in **the Book of Abstracts**, Symposium material, participation in all sessions of the Symposium, cocktail, coffee/tea break, is **150 EUR** (for domestic participants in dinar value on the day of payment according to the exchange rate). Papers shall not be published without the payment of Registration Fee.
